

Mother Needs Outline

Please help us understand your postpartum needs by responding to the following questions, using the back of this sheet if necessary. See bottom for instructions to return.

Thank you.

Today's date

What are your expectations about birth?

Do you plan to breastfeed?

For what reason are you choosing a doula service?
(instead of no employed help or a "baby nurse", for example)

What tasks do you want the Doula to help you with?

Are there any special circumstances we need to be aware of to help you better?

(disability of the mother, anticipated problem with the baby, strained relationship with baby's father, for example)

For how many hours do you anticipate needing Doula services? *(minimum: 15)*

Is there any other information you want to share?
